Dear Mr. Sass:

On June 10, 2009, the Division received supplemental information for the G-25 and G-26 degas well amendment. However, as the review of this amendment has already begun and deficiencies have been identified (i.e. there will be another round of review), we are returning the supplemental information to you at this time. Please re-submit the information upon receipt of the Division's deficiency letter.

If you have any questions, call me (801) 538-5262 or Steve Christensen (801) 538-5350.

Sincerely

James D. Smith
